I. Introduction

The Alliance for Gender Equality in Europe (the Alliance) is a philanthropic initiative created in 2021 to support and strengthen the grassroots gender equality movement in Europe. It is composed by Bodossaki Foundation, Fondation BNP Paribas, Fondation CHANEL, Fondazione con il Sud, Fondation de France, Fondation RAJA-Danièle Marcovici, King Baudouin Foundation, and L'Oréal Fund for Women, and hosted by the Network of European Foundations. Through grant-making, capacity strengthening, and awareness raising, the Alliance improves gender equality for all by transforming harmful gender norms and addressing the structural barriers that reinforce inequality and exclusion.

In its 2025-2027 strategic framework, the Alliance has defined strengthening movements as a cross-cutting priority. We expect our grant-making to deliver the following outcomes:

- *Grassroot organisations to be better equipped to respond to needs, seize opportunities, and fight back against the anti-gender movement.*
- *Marginalised women, girls, trans, non-binary, and gender non-conforming people to have greater rights and opportunities.*
- *Grassroot organisations in the gender equality movement to be better supported by and connected to each other, enabling collective learning and action.*

This Fund is made possible by the commitment of Bodossaki Foundation, Fondation CHANEL, Fondazione con il Sud, Fondation de France, Fondation RAJA-Danièle Marcovici, King Baudouin Foundation, and L'Oréal Fund for Women.

You are now entering the application form for the “Strengthening Movements for Gender Equality” call for proposals.

Before applying, please make sure to comply with the following eligibility requirements:

- Collective proposal with at least 3 organisations.
- Legally registered non-profit organisations: non-governmental civil society organisations, social enterprises, national or regional funds.
- Based and operating in the European Union, United Kingdom, Armenia, Bosnia and Herzegovina, Kosovo, Montenegro, North Macedonia, or Serbia.
- Small and medium-sized grassroots organisations defined as having an annual budget below the following amounts (thresholds are based on the national cost of living and labour costs):
 - Organisations based in Austria, Belgium, Denmark, Finland, France, Germany, Ireland, Luxembourg, Netherlands, Sweden or the UK: €450 000

- Organisations based in Armenia, Bosnia and Herzegovina, Bulgaria, Croatia, Republic of Cyprus, Czechia, Estonia, Greece, Hungary, Italy, Kosovo, Latvia, Lithuania, Malta, Montenegro, North Macedonia, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Serbia: €300 000

Intermediary organisations and networks are exempt from respecting these thresholds. However, they must apply in coalition with grassroots organisations, and the budget must be fairly distributed among all partners.

- Community-led organisations, meaning organisations where the majority of leadership roles are held by members of the community supported, and/or organisations employing participatory approaches.
- Organisations working with marginalised women, transgender, non-binary and gender non-conforming people.
- Organisations using gender transformative approaches that empower individuals while also addressing the systems and norms that uphold gender inequality.
- Intersectional perspective.
- Completed proposal in English.
- Each organisation can only submit one application as lead or partner.

All tools may be used to assist with translation and writing, but all answers must reflect your organisation's own true and authentic experience, plans, and values. We are interested in knowing more about your organisation and proposal in your own words.

We know applications are time-consuming, so we have kept this form as short as possible. Thank you for your effort in preparing this proposal.

I have carefully read the call for proposals.
